Dear Alana Mauger:

I am writing in response to your ad for freelance reporters in last Sunday's *Inquirer*.

I have years of experience as a writer. I was the popular music columnist for the *Welcomat* (now known as *Philadelphia Weekly*) for more than 11 years and was the paper's music editor and associate editor as well.

Currently, I am a regular contributor to *Gadfly* an online cultural magazine. Enclosed are recent articles published by *Gadfly*, as well as my resume.

Thank you for your consideration. I look forward to your response.

Sincerely,

Peter S. Brown
